

Solar Panel

Number: **1**
Material: **n/a**
Production Process: **n/a**
Cost /part: **£3.00**

Frontage

Number: **1**
Material: **Clear Acrylic**
Production Process: **Laser cut & Line bent**
Cost /part: **£0.10**

Touch Screen

Number: **1**
Material: **n/a**
Production Process: **n/a**
Cost /part: **£3.28**

Thermal Printer Heater

Number: **1**
Material: **n/a**
Production Process: **n/a**
Cost /part: **£1.97**

Printage Frontage

Number: **1**
Material: **ABS**
Production Process: **Injection Moulding**
Cost /part: **£1.05**

Side Panel (female)

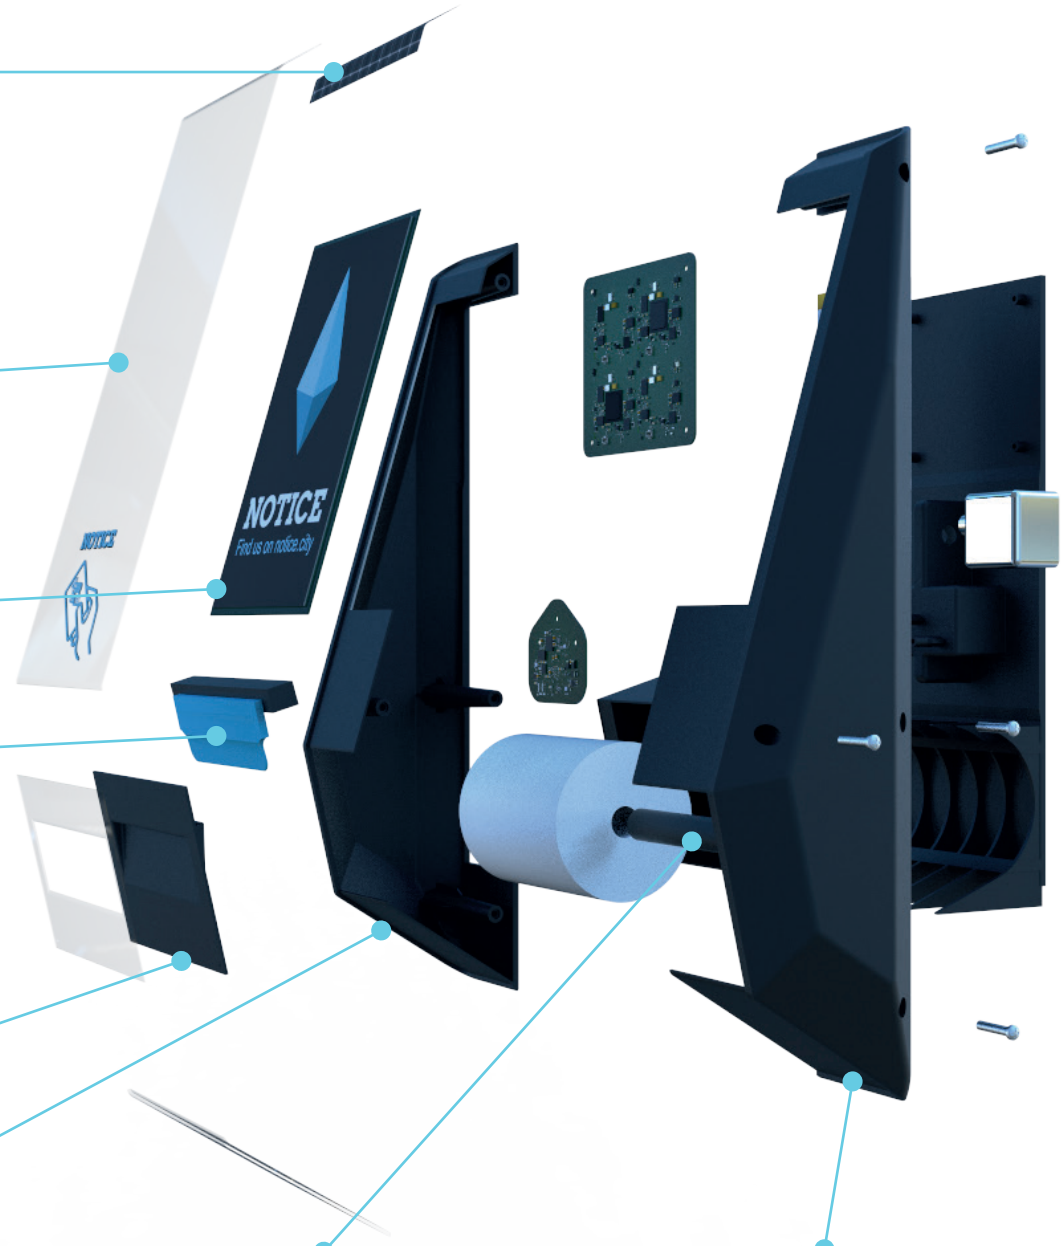

Number: **1**
Material: **ABS**
Production Process: **Injection Moulding**
Cost /part: **£3.31**

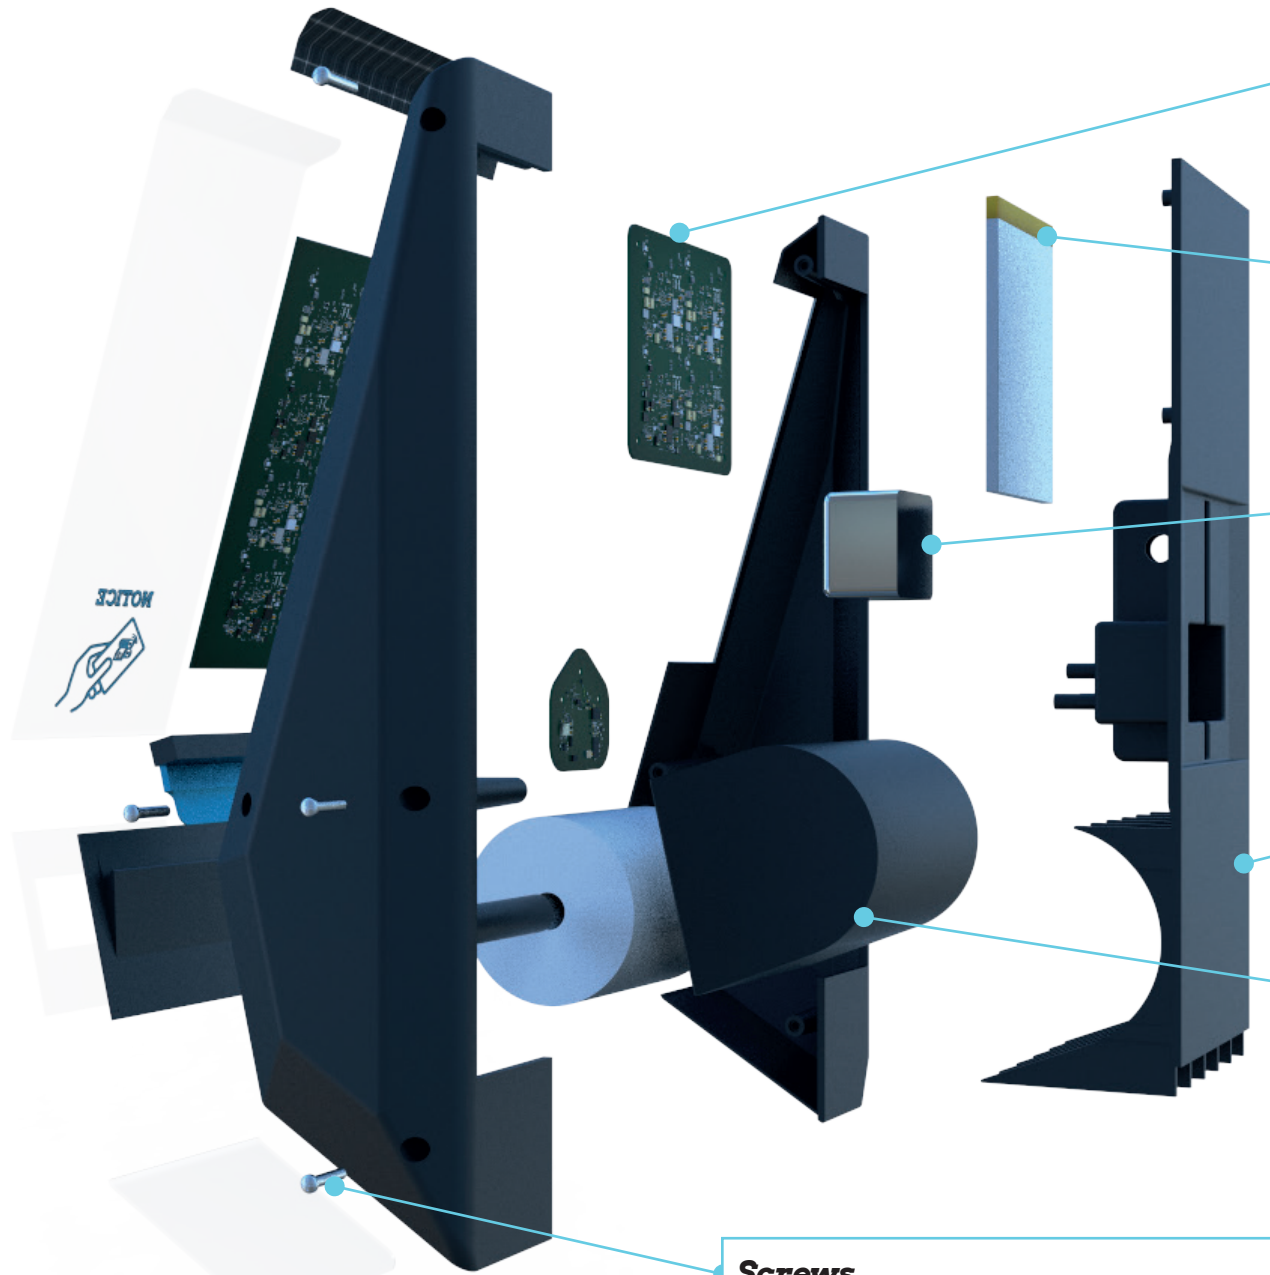

Roll Holder

Number: **1**
Material: **PP**
Production Process: **Injection Moulding**
Cost /part: **£0.42**

Side Panel (male)

Number: **1**
Material: **ABS**
Production Process: **Injection Moulding**
Cost /part: **£3.33**

PCBs and electronics

Number: **1**
Material: **n/a**
Production Process: **n/a**
Cost /part: **£2**

Battery

Number: **1**
Material: **n/a**
Production Process: **n/a**
Cost /part: **£1.20**

Electronic Lock

Number: **1**
Material: **n/a**
Production Process: **n/a**
Cost /part: **£3.90**

Back Structure

Number: **1**
Material: **ABS**
Production Process: **Injection Moulding**
Cost /part: **£0.40**

Printer Casing

Number: **1**
Material: **PP**
Production Process: **Injection Moulding**
Cost /part: **£1.37**

Strap

Number: **1**
Material: **PP**
Production Process: **Injection Moulding**
Cost /part: **£1.47**

Screws

Number: **26**
Material: **n/a**
Production Process: **n/a**
Cost /part: **£0.02**

Costing based on manufacture of 10,000 units.

Total Cost of manufacture: £29.97
